

## **List of Participating TPEHS Programs and Departments**

### **Baylor College of Medicine Programs:**

- Genetics & Genomics Program
- Cancer & Cell Biology Program
- Quantitative & Computational Biosciences Program
- Immunology & Microbiology Program
- Department of Molecular & Human Genetics
- Department of Molecular & Cell Biology
- Department of Pediatrics
- Department of Medicine – Division of Epidemiology & Population Science

### **UTHealth Science Center at Houston:**

- MD Anderson/UTHealth Graduate School of Biomedical Sciences (GSBS)
  - Genetics and Epigenetics Program
  - Quantitative Sciences Program
- School of Public Health (SPH)
  - Department of Epidemiology, Human Genetics & Environmental Sciences
- School of Biomedical Informatics (SMBI)

### **MD Anderson Cancer Center:**

- Department of Epigenetics & Molecular Carcinogenesis
- Department of Bioinformatics & Computational Biology
- Department of Experimental Radiation Oncology
- Department of Genetics
